

Winter News

Wiping Out

A few weeks ago, during the weekend of January 20-22, we once again had the opportunity to attend Winter Wipeout at Camp Shamineau. Winter Wipeout has been a long standing tradition for Bethel's youth group and has provided countless memories and fun experiences for students year in and year out. This year was no exception as we had 40 students and 7 adult leaders who braved the cold and enjoyed a time of worship and fellowship together. Students were encouraged to entrust their worries and discomfort to a God who loves them more than they could comprehend. We also brought home the dodgeball and volleyball championship trophies and all is well with the world!

Christmas Giving

Last year we started what we called the "Abundant Giving Project". The goal was to connect our abundant means as a church with the abundant needs in our communities. The response was overwhelming. So much so that we used money left over from last year to do another Christmas giving project this year. Students from each school represented in youth group were given the opportunity to spend up to \$500 to bless their school. Students from North Union and Fairmont did just that and non-perishable food, toiletries, and clothes were bought for families in need. The students really blessed those in need!

Spring-ing Ahead

This winter, we have continued on in our "Gospel Challenge" 22-23. The goal has been to equip students to clearly know the gospel message and be able to confidently share it with classmates, friends, and family. We have been studying the book of Acts and discovered that the Holy Spirit empowers people to follow him in uncomfortable situations. This spring we will be looking at barriers to the gospel. Why do some reject the gospel and how can we respond?

What's Next?

- District Blitz April 28th-30th (Sign-Up coming soon)
- Game night @ Niestrath's Feb. 25, 7:30pm-9:30pm
- Broomball tournament @ Martin County arena March 11, 2pm-4pm
