

May 2024 Bible Reading Plan

Genesis – the book of beginnings and the first book of the Pentateuch (first five books of the OT). Its fifty chapters introduce the Creator God and the beginnings of life, sin, judgment, family, worship, and salvation. Not only do we read about the beginning of the human race, but also the beginning of the Hebrew race as the life of four patriarchs (Abraham, Isaac, Jacob, and Joseph) is emphasized.

Ephesians is a letter written from a Roman prison by the hand of Paul around A.D. 62. It's a letter of both theological doctrine (first three chapters) and practical application (last three chapters) that seeks to encourage and admonish believers to be thankful for what they have in Christ and to walk in a manner worthy of those blessings.

Memory verse for the month: **Ephesians 2:8-10**

For by grace you have been saved through faith. And this is not your own doing; it is the gift of God, not as a result of works, so that no one may boast. For we are his workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them.
