November 2026 Bible Reading Plan

Exodus *– after almost 400 years of growth in Egypt, the nation of Israel is ready to leave behind the bondage that the Egyptians have placed upon them. In Exodus we read of Israel's liberation from Egypt (1-18) and their migration as God's new nation to the wilderness of Sinai to receive instructions on how to live and worship.*

Revelation *- as Genesis is the book of beginnings, Revelation is the book of consummation. God's program of redemption is brought to completion, and God's holy name is vindicated before all creation.*
